INVESTOR IN PEOPLE

Glendining's - Important Information for Buyers

If you are new to Glendining's please read the following pages and our Standard Terms and Conditions of Sale, printed elsewhere in this catalogue. Our Client Services Manager will be happy to give assistance on any aspects about which you may be unclear. Tel: (0171) 629 6602, ext 331.

Specialists in charge of a sale can be consulted at any time, either in person or by telephone, to give advice on specific lots. See the title page for details of whom to contact.

Estimates

The estimated selling price of each lot is printed beside the lot description and does not include the Buyer's Premium (or VAT, when this is payable on the hammer price, as indicated by the symbol * or **, *see VAT*). The estimates are prepared well in advance of the sale, are not definitive, and are subject to revision.

Buyer's Premium

A Buyer's Premium is payable at 15% on the first £30,000 of the hammer price of each lot purchased, plus 10% thereafter of the hammer price for that lot. (*VAT at the appropriate rate is charged on the premium.*)

Value Added Tax (* and **)

The symbol * after a lot number indicates that VAT is payable by the purchaser, at the standard rate, on the hammer price. The double symbol ** after a lot number indicates that the lot has been imported from outside the European Union under HMCE Temporary Importation Regulations, and that VAT at an effective rate of 2.5% will be payable by the buyer on the hammer price and on the premium.

For lots which appear *without* either of the above symbols no VAT will be payable on the hammer price and the premium will be shown inclusive of VAT. The VAT inclusive with the premium is not normally recoverable by the buyer. Note: There is no VAT payable on the hammer price, or on the premium, for Books bought at auction.

Damaged and Restored Lots

Imperfections are not indicated in the catalogue, except when otherwise stated. Departments have used their discretion to record defects which they feel have a detrimental effect on a lot. This is intended to be of assistance to buyers and *in no way guarantees that restoration does not exist*. Intending purchasers must in all cases be responsible for determining the condition themselves. (*see Clause 16 of our Standard Terms and Conditions of Sale*).

Condition Reports

To assist intending buyers who are unable to view the sale, Glendining's are happy to post or fax a condition report prepared by a specialist. These reports are for guidance only, without legal obligation or prejudice to our Standard Conditions of Sale.

Electrical Goods

It is essential that lots which were originally operated by mains electricity be checked by the buyer prior to use. They may not comply with the current statutory requirements and as such are offered for sale solely for display or historical purposes and are not suitable for connection to the mains electricity supply.

Trade Embargoes

Trade embargoes are currently imposed by the United Nations against Iraq, Serbia and Montenegro. For assistance and further details please contact the Company Secretary's Office prior to bidding.

WAYS OF BIDDING

In Person

To bid at a sale all potential buyers must be registered on the day of the sale. Please bring means of identification and proof of residence with you, as you will need these to register and collect your bidding number before the auction begins.

The bidding number system is sometimes referred to as "paddle bidding". You will be issued with a large card with a printed number on it, which is matched to your registration details. Should you be a successful buyer you will need to ensure that your number can be clearly seen by the Auctioneer, and that it is your number which is called out as the buyer.

If there is any doubt as to the hammer price or the buyer, you must draw this to the attention of the Auctioneer or a member of staff immediately.

All lots will be invoiced to the name and address given on your registration form, which is non-transferable. At the end of the sale, or when you have finished bidding, please return your bidding number to the Registration Clerk or General Office.

By Telephone or Fax

A bid by these methods is accepted at the sender's risk. Telephone bids must be confirmed in writing.

All bids must be left **at least one hour** before the start of a sale. Please note the conditions as stated on the bid form before signing it.

— Merk, 1664, thistle below bust. <i>A pleasing fine.</i> (£40-60)	1		
878			
Merk, 1666, thistle below bust. <i>Some flatness to reverse, off centre and slightly buckled, otherwise fine and a rare date.</i> (£50-60)	1		
879			
— Merk, 1669, thistle below bust, six harp strings. <i>Fabric rather poor, otherwise better than fine.</i> (£40-60)	1		
880			
— Merks (2), 1669, thistle below bust, six harp strings, 1669, thistle below bust, five harp strings, 1670. <i>First of rather poor fabric, otherwise better than fine, second with fabric also poor, about fine, reverse better, last fair, reverse fine.</i> (£80-100)	3		
881			
— Merk, 1671, thistle below bust. <i>A common date and with characteristic poor fabric, but pleasing and very fine for issue.</i> (£60-80)	1		
882			
— Merks, 1672, thistle below bust, 1673 (2), thistles below busts, five and six harp strings. <i>First fine but with some adjustment marks on obverse and weak on the corresponding area of reverse, second fair, last nearly very fine.</i> (£60-80)	3		
883			
— Merks, 1674, thistle below bust, 1675 F below bust. <i>First cracked to rim, otherwise fair to fine, the date very rare, second fair, rare.</i> (£80-100)	2		
			Burns knew of only one Merk, 1674, with thistle below the bust—"I have seen a Merk of 1674 with thistle below the bust"
884			
— Half-Merks, 1669, flat crown, reads DEI, 1669, rounded crown, reads DEI; 1669, rounded crown, reads DEI; <i>First fine, second fair, last off-centre but better than fine for issue.</i> (£100-120)	3		
			CMV prices this date at £75 (Fine) and £190 (Very Fine) substantially higher than the other dates listed indicating rarity. Though rarer than the companion Merk of this date it is—in the view of the cataloguer—one of the commonest dates of the series.
885			
— Half-Merks, 1670, 1671, different dies, 1775 F. <i>Fine, some perhaps better for issue.</i> (£120-140)	4		
			The distinguishing feature of the two examples of 1671 is the shape of the ribbon on the obverse: on one it is almost straight, on the other it is curlier and slightly thicker.
886			
— Half-Merks, 1673 (2), different dies. <i>One about fine for issue, the other fair, rare.</i> (£50-60)	2		
			In view of the cataloguer this date is rare—even very rare—despite the presence of two in this collection.
SECOND COINAGE			
887			
Second Coinage, Dollar, 1676. <i>Fair to fine, but cleaned, rare.</i> (£120-150)	1		
888			
— Dollar, 1679. <i>Almost fine.</i> (£120-150)	1		
889			
— Dollar, 1680. <i>Fair, one of the rarer dates.</i> (£80-100)	1		

890	— Half-Dollar, 1676. <i>Good fine, dark tone (perhaps artificial), extremely rare date.</i> (£200-250)	1
Much rarer than catalogue prices indicate. Burns knew of no examples stating: "These [1675 and 1685] are the only dates I have observed. Lindsay gives 1676 from Ruding's plate, a very uncertain authority for dates". Lord Granley owned an example as did Lockett. This example bought Dolphin Coins (ex Glendining's, 14 June, 1995 (477).		
891	— Quarter-Dollars, 1676, 1677, 1679, five harp strings, 1679, six harp strings, 1680, five harp strings, 1680, six harp strings, 1681, 1682. <i>Most fair or fine, last damaged to rim (obverse 9 o'clock and 3 o'clock), presumably due to mounting, this a rare date.</i> (£140-180)	8
892	— Eighth-Dollars, 1676, 1677, 1680. <i>First fair, second fine last with a poor obverse, scratched and pitted, reverse also pitted but otherwise slightly better.</i> (£60-80)	3
893	— Sixteenth-Dollar, 1677. <i>Almost very fine.</i> (£50-60)	1
894	— Sixteenth-Dollars, 1677, 1678 (over 7), 1679 (over 7?). <i>First fine, second fair to fine, last with large piercing but very rare.</i> (£40-60)	3
895	— Sixteenth-Dollar, 1680. <i>Fine and scarce.</i> (£60-80)	1
	Priced at £100 (Fine) in CMV; unpriced in higher grades. Dolphin (FPL 2, 1992) offered an example in very fine condition and described as very rare at £250.	
896	— Sixteenth-Dollar, 1681. <i>Nearly very fine,</i> (£60-80)	1
	Priced at £100 (VF) in CMV	
James II (1685-1689)		
897	Forty-Shillings, 1688, reads IACOBUS, edge QVARTO; Ten-Shillings, 1687. <i>First fair, second almost fine but rather buckled, both rare.</i> (£80-100)	2
898	Ten-Shillings, 1688. <i>Fine, rare.</i> (£70-80)	1
	Rarer than 1687. "1688 is a much rarer date than 1687", Burns, vol II, p. 507.	
William and Mary (1689-1694)		
899	Sixty-Shillings, 1692, TERTIO. <i>Obverse fair to fine, reverse fine.</i> (£120-150)	1
900	Forty-Shillings, 1692, TERTIO. <i>Fine to very fine, fabric rather poor.</i> (£80-100)	1
901	Forty-Shillings, 1693, QVINTO. <i>Almost very fine and rare.</i> (£150-180)	1
	Although the Turner collection contains two coins of this date and regnal year, in the view of the cataloguer this combination is very rare.	
902	Another. <i>Rather harsh adjustment marks on face, otherwise fine.</i> (£80-100)	1
903 □	Forty-Shillings, 1694, SIXTO. <i>Fine to very fine, very rare.</i> (£80-120)	1
904	Ten-Shillings, 1690, small crown. <i>Fine, slight flaw near top, very rare.</i> (£120-150)	1
905	Ten-Shillings, 1691, 1691, struck <i>en medaille</i> , eight harp strings, 1691, struck <i>en modaille</i> , nine harp strings, 1692. <i>Third weak on obverse, otherwise all about fine.</i> (£140-180)	4
906	Five-Shillings (2), 1691, 1694. <i>Last slight buckled, first about fine and the rarer of the two dates by far.</i> (£60-80)	2
William II (1694-1702)		
908	Forty-Shillings, 1695, SEPTIMO, reads SEPTIMO.. DECVS. <i>About fine.</i> (£40-60)	1
909	Forty-Shillings, 1695, OCTAVO, nine harp strings. <i>Somewhat weak below bust to left and corresponding area of reverse, otherwise fine.</i> (£40-60)	1
	Coins with the regnal year OCTAVO appear to be slightly scarcer than those reading SEPTIMO.	
910	Another, eight harp strings. <i>Fair.</i> (£30-40)	1

911		Anne (1702-1714)
Twenty-Shillings, 1695. <i>Probably the commonest date of the William II Twenty-Shillings, but a pleasing example, good fine.</i> (£60-80)	1	
912		
Twenty-Shillings, 1698 (over7) (S-). <i>About fine, very rare.</i> (£40-50)	1	
An example of this variety was in the Murray collection (445); other specimens were listed in Dolphins FPL 2 and SCMB August, 1960; and others have doubtless appeared elsewhere.		
913		
Twenty-Shillings, 1695. <i>Fine.</i> (ENO 60)	1	
914		
Twenty-Shillings, 1698. <i>Fair, reverse lightly discoloured, rare.</i> (£40-50)	1	
915		
Ten-Shillings, 1695. <i>Fine, slight cud to lower rim.</i> (£40-50)	1	
916		
Ten-Shillings, 1696, small harp. <i>About fine.</i> (£40-50)	1	
917		
Ten-Shillings, 1696, large harp. <i>Obverse with a scratched and rather poor surface, fair, reverse fine or better.</i> (£40-50)	1	
918		
Ten-Shillings, 1697. <i>About fine, reverse fine, rare.</i> (£50-60)	1	
Although the price structure in Seaby does not suggest it, this date is far rarer than either 1695 or 1696.		
919		
Five-Shillings, 1695, 1696, 1697, stop after REX, 1697, no stop after REX, and 1700. <i>All about fine.</i> (£100-120)	5	
920		
Five-Shillings, 1699. <i>Fabric scratched and poor, and only fair but a very rare date.</i> (£40-50)	1	
Although the price structure in Seaby does not suggest it, this date is very rare.		
921		
Ten-Shillings, 1701. <i>Only fair, but extremely rare.</i> (£80-100)	1	
Although not clearly indicated by the Seaby price structure this date is extremely rare; indeed in the belief of the cataloguer it is the rarest date in the Five-Shilling series. Burns records the date from only one example, that noted by Cardonell. There was an example in the Murray collection.		
922		
Five-Shillings, 1702, type 2, reading GVLIEMS DEI GRATIA. <i>Fine, very rare.</i> (£60-80)	1	
The only Scottish coin dated 1702. The example in the Murray collection (460) sold for £210		
923		PRE-UNION ISSUES
924 □		
Ten-Shillings, 1705. <i>An outstanding example, extremely fine, deeply and attractively toned, very rare in this state.</i> (£150-200)	1	
925		
Ten-Shillings, 1706, reads REGINA (2). <i>Both very fine for issue, but one gilded and ring mounted, the other cleaned and with curious colour and surface texture, probably silvered.</i> (£60-80)	2	
It is unusual to find silver coins of the early 18th century gilded and mounted. This piece may have been made for symbolic reasons by a partisan of the Stuart cause, rather than decoration.		
926		
Five-Shillings, 1705, reading ANNA DEI GRATIA (2); 1705, reading ANNA D G etc.; 1705, reading AN D G . . . REG (2); 1706, stop after date. <i>Fair or fine, one harshly polished, with the appearance of a cast copy (but perhaps impaired by mounting).</i> (£50-60)	6	
927		
Five-Shillings, 1706, stop after date. <i>About very fine, off-centre.</i> (£50-60)	1	
POST-UNION ISSUES		
928		
Crown, 1707 E and 1708 E; Halfcrowns, 1707 E, 1708 E and 1708 E, with local reverse die (the 8 is small and the G of MAG misaligned). <i>Last fair, others fine, last with T appearing in field (undertype?) beside Irish shield.</i> (£100-120)	5	
929		
Halfcrown, 1709 E, OCTAVO. <i>About fine, extremely rare.</i> (£100-150)	1	
ESC 580-R3. CMV £150 (Fine); unpriced in a higher grade.		
930		
Shillings, 1707 E, third bust, 1708 E*, second bust, 1708 E*, Edinburgh bust. <i>First good fine, but with a cut by GRA and corresponding area of reverse;</i> Sixpences, 1707 E, 1708 E*, Edinburgh bust (2), one with 08 of date correctly aligned, the other with a high 8, <i>both fair, silver medallet on Union of England and Scotland, ver fair.</i> (£80-100)	7	
931 □		
Lanarkshire, Lanark Mills, Spanish Dollar, 1798, Lima, counterstamped PAYABLE AT LANARK MILLS around 5/ in centre. <i>Host coin fair, counterstamp very fine.</i> (£200-250)	1

Illustrated catalogue available from the end of June.

STANDARD TERMS & CONDITIONS OF SALE

1. DEFINITIONS

In these Conditions Glendining's, who act as auctioneers and agents for the vendor, are called "The Auctioneers", and the representative of Glendining's conducting the auction is called "The Auctioneer". Glendining's is a division of Phillips, Son & Neale. References to Glendining's, the Auctioneers, the Auctioneer and to Phillips, Son & Neale shall include reference to any or all of the other.

2. GENERAL

Whilst Glendining's make every effort to ensure the accuracy of their catalogue and the description of any lot:

(a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.

(b) Glendining's do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age period, condition or quality of any lot, unless they have been instructed in writing by the vendor so to certify, and in such cases the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.

(c) All statements, whether printed in the catalogue or made orally, as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Glendining's, unless they have been instructed in writing by the vendor so to certify, and in such cases the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.

(d) Any claim under any Statute must be received in writing by the Auctioneer within ten days of the day of the sale.

3. THE AUCTION

(a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.

(b) The highest bidder shall be the buyer except in the case of a dispute. If during the auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid.

(c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any one person (who may be the Auctioneer).

(d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.

4. RESCISSION

Notwithstanding any other terms of these Conditions, if within three years after the sale Glendining's have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within one month after such notification the buyer returns the same to Glendining's in the same condition as at the time of sale and by producing evidence, the burden of proof to be upon the buyer satisfies Glendining's that considered in the light of the entry in the

catalogue the lot is a deliberate forgery, then the sale of the lot will be rescinded and Glendining's will reimburse the buyer for the amount paid for the relevant lot within seven days of the vendor refunding to Glendining's the amount paid to the vendor in respect of the lot. In the event of a dispute then the matter shall be settled by arbitration, the arbitrator to be nominated by the President of the Royal Institution of Chartered Surveyors. Both the buyer and the vendor agree to be bound by the decision. Payment of costs of arbitration shall be determined by the arbitrator.

5. DEFAULT

Glendining's disclaim responsibility for default by either the buyer or the vendor because they act as agents for the vendor only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.

6. PRIVATE TREATY

In the event of a sale by private treaty both the vendor and the buyer agree to be bound by the General and any Special Conditions of Sale.

7. INSTRUCTIONS

As Glendining's are auctioneers, all goods delivered to Glendining's premises will be deemed to be delivered for sale by auction unless otherwise stated in writing and will be catalogued and sold at Glendining's discretion and accepted by Glendining's subject to all the Sale Conditions. By delivering the goods to Glendining's for inclusion in their auction sales each vendor acknowledges that he or she has accepted and agreed to be bound by all these Conditions.

8. LOSS OR DAMAGE

Glendining's disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods unless caused by the direct negligence of their employees.

9. STORAGE

Glendining's reserve the right to store or arrange for the storage (either on their own premises or elsewhere at their sole discretion) of goods delivered to them for sale and/or sold by them. The vendor or buyer as appropriate shall be liable for all and any charges payable in respect of the charges for storage and insurance incurred in respect of such goods.

10. RIGHT TO SELL

Vendors and buyers will incur charges for storage and insurance in respect of goods left on Glendining's premises or in their custody. If the vendor or buyer has been requested to remove such goods but the goods are not removed within twenty one days of such request Glendining's reserve the right to sell the goods without further reference to the vendor or buyer to defray costs and storage charges.

11. RESERVES

(a) All goods are put up for sale WITHOUT RESERVE at the Auctioneer's discretion unless written instructions as to reserves are received by Glendining's prior to the commencement of the sale.

(b) In the event of any reserve price not being reached at auction Glendining's are empowered to sell after the auction, by private treaty, at not less than the reserve price, as long as the goods remain on Glendining's premises or in their custody. In the event of such a sale by private treaty the Conditions of Sale applicable to a buyer governing the original auction will apply, together with any special conditions which are advised to the buyer before the sale.

12. INDEMNITY

The vendor shall duly indemnify Glendining's against any claims in connection with any goods sold by Glendining's on the vendor's behalf.

13. VALUE ADDED TAX

A vendor who sends for sale by auction or private treaty any item which is an asset of his business must disclose to Glendining's and the Auctioneer whether or not he is a registered person for Value Added Tax purposes in the UK or any other EU country and if so, declare his registered number and whether or not he intends to operate the special scheme for second hand goods. This information must be supplied to Glendining's and the Auctioneer on or prior to the items being released to the Auctioneer. Input box deduction has not been made and will not be claimed by Glendining's in respect of any lot sold under the Auctioneers' Scheme.

14. The vendor authorises the Auctioneer to deduct commission and expenses at the stated rates from the hammer price and acknowledges the Auctioneer's right to retain any premium payable by the purchaser.

15. RIGHTS TO PHOTOGRAPHS AND ILLUSTRATIONS

The vendor gives Glendining's full and absolute right to photograph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs provided by the vendor at any time at its absolute discretion (whether or not in connection with the auction). The buyer gives Glendining's absolute right to use at any time any photographs and illustrations of lots sold at auction or privately at its absolute discretion (whether or not in connection with the auction).

BUYERS CONDITIONS

In addition to the above general conditions the attention of all bidders and buyers is drawn to the following conditions which principally concern buyers and to other notices and information in the catalogue.

16. INSPECTION

Each buyer by making a bid for a lot acknowledges that he has satisfied himself fully before bidding by inspection or otherwise as to all the Sale Conditions the physical condition and description of the lot including but not restricted to whether the lot is damaged or has been repaired or restored.

17. PROPERTY AND RISK

Legal title will not pass to the buyer until the lot(s) has been paid for in full and the Auctioneers shall be entitled to a lien on any lot sold until the purchase price (as defined in 20 below) is paid in full but each lot is at the sole risk of the buyer from the fall of the hammer. Each buyer shall forthwith give his full names and permanent address and if called upon to do so by the Auctioneer shall forthwith pay to Glendining's such proportion of the purchase price as Glendining's or the Auctioneer may require. If the buyer fails to do so, the lot may at the Auctioneer's sole discretion be put up again and re-sold.

18. Every bidder shall be deemed to act as principal unless there is in force prior to the sale a written acknowledgement by Glendining's that he acts as agent on behalf of a named principal.

19. REMOVAL OF GOODS

(a) No purchase shall be claimed or removed until it has been paid for and the sale has been concluded. All purchases shall be paid for and removed at the buyer's risk and expense by the end of the second working day after the sale, failing which the

Auctioneer shall not be responsible if the same are lost, stolen, damaged or destroyed, and all lots not so removed shall remain at the risk of the buyer and subject to a minimum warehousing charge of £2 per lot per day (plus VAT at the appropriate rate). If they are not paid for and removed within seven days of the sale the Auctioneer may re-sell them by auction or privately without notice to the buyer. Any liability which there may be on the part of the Auctioneer in respect of any loss shall be restricted to a maximum of the price paid by the buyer of the lot.

(b) In the event of any failure of the buyers to comply with any of the above conditions the damages recoverable by the seller Glendining's or the Auctioneer from the defaulter shall include any loss arising on any re-sale of the lot together with the charges and expenses in respect of both sales, and together with interest at 5% above National Westminster Bank plc Base Rate upon the purchase price (as defined below) of any lot which has not been paid for within 48 hours of the sale, and any money deposited in part payment shall be held by the Auctioneers on account of any liability of the defaulter to them or to the seller. The Auctioneers are unable to accept payment from successful bidders other than in cash, by certain debit or credit cards (as stated below in Clause 21), or by the bidder's own cheque. Cheques drawn by third parties, whether in the Auctioneer's favour or requiring endorsement, cannot be accepted. Cheques for amounts not covered by a current cheque guarantee card will have to be cleared by Glendining's bankers before goods are released to the buyer.

(c) Alternative arrangements are made for storage and collection of furniture, some associated items and pictures may be made with storage contractors. Please see details of the conditions which are shown separately in the catalogue for sales to which these arrangements apply.

20. PURCHASE PRICE

The purchaser of any lot shall pay the hammer price plus a premium (together with VAT on the premium at the appropriate rate and on the hammer price at the appropriate rate if applicable on that lot). The premium shall be calculated at 15% on the first £30,000 of the hammer price of each lot plus 10% of that hammer price in excess of £30,000. The premium is payable by all purchasers. The amount invoiced in respect of the premium will be inclusive of VAT but this VAT will not normally be recoverable by the buyer. The vendor authorises the Auctioneer to deduct commission and expenses from the hammer price and to retain the premium payable by the purchaser.

21. PAYMENT BY DEBIT CARD AND CREDIT CARD

Glendining's are able to accept payment by Visa, Switch or Delta debit card and by Mastercard or Visa credit cards in settlement of clients' accounts. No charge will be made in respect of payments made by Visa Switch or Delta debit cards. However, a surcharge equal to 1.76% (inclusive of VAT at the appropriate rate) of the amount payable will be levied in respect of payments by Mastercard or Visa credit cards. We regret that we are not able to accept payment by other credit or charge cards.

THIRD PARTY LIABILITY

Every person on Phillips premises at any time shall be deemed to be there at his or her own risk. He or she shall have no claim against Glendining's, its employees or agents in respect of any accident which may occur or injury, damage or loss howsoever caused, save insofar as the injury, damage or loss shall be caused by the direct negligence of Glendining's employees.
